TANZANIA BUSH 2 BEACH SAFARI

Tour Highlights

This 11 days Tanzania and Zanzibar Safari is one of our best-sellers!

This tour will take you to natural beauty of Northern Tanzania where you will see lots of wildlife and scenic landscapes to the world's most beautiful tropical beaches.

This private safari offers you the flexibility to travel at your own pace, exactly the way you like it. You will have a private safari vehicle and guide.

The hotels we selected for you during this safari are 3 star. If you prefer more luxury-please let us know.

This romantically luxurious safari takes in the highlights of Tanzania, from the endless plains of the Serengeti to the magnificent views of the Ngorongoro Crater and the untouched white beaches of the Indian Ocean.

DAY 1: Arrival - Tarangire

We will pick you up from Kilimanjaro airport and transfer you to Recommended Accommodation for dinner and overnight.

Additional notes:

This is your first day on safari, so we ask that you please pay special attention to the national park's visitor rules and our company recommendations.

- During the safari it is strictly prohibited to exit the vehicle, except for in specially designated areas. Violations of this rule may be accompanied by large fines for the company, including the revocation of its license.
- Off road driving is also prohibited, as such behaviour may cause irreparable damage to the fragile balance of the natural ecosystem.
- During the safari you are allowed to smoke, but be extremely careful about how you extinguish and dispose of cigarette butts, as they are a frequent cause of fires in the savanna.
- In addition, we sincerely request that you not put your feet on the safari car's seats, nor sit on the back of them, because this type of behaviour quickly makes the cars unusable.

Thank you in advance for your understanding.
